Playschool Open to Preschoolers

The Family & Consumer Sciences Department at Edison High School is planning to start a virtual playschool in December. High school juniors and seniors enrolled in the Child Growth and Development classes will be preparing virtual lessons for the children. Each session will be approximately 30 minutes long.

Playschool is usually held three days a week, Wednesday, Thursday and Friday.

Children must be residents of Edison Township and should be four years old by October 1, 2020. We will consider younger children if there is room.

Completed applications should be returned as soon as possible to:

kathleen.hendricks@edison.k12.nj.us

Upon receipt of your application information regarding website, etc. will be given to you.

If you have any questions, please contact Mrs. Kathleen Hendricks at the above email address.
