

Information on High School Visits can be found beneath the events descriptions.

Our Menu of Options for Students:

- Good
 - On-demand information sessions (**available [here](#)**)
 - This option is the most flexible. It is available to students whenever they want it; however they are not able to ask questions live. It is a great first step to learning about Fordham.
- Better
 - Live Information Sessions and/or Live Guided Tours (**available [here](#)**)
 - These sessions are offered daily (except Wednesdays) and host admission counselors and 2 current students live. They will speak about Fordham and answer questions over audio and through the chat box. This is a great way for students to learn more about Fordham as it relates to their journey and application
 - Virtual Hellos (available on the same calendar linked above)
 - These sessions are a simple, live Q&A format. It is one admission counselor available for 30 minutes. Students can type their questions into the chat box and have them answered right away.
 - Ram Sessions (available on the same calendar linked above)
 - These are topical events hosted in the evenings. They cover a wide range of topics including the Business School, STEM at Fordham, Financial Aid, Students of Color at Fordham and more.
