Supervisor, Dr. Diane Braungard-Galayda

Dear Parents and Students,

In response to the recent cancellation of SAT subject tests by the College Board, we will be reopening registration for AP Exams from Thursday 2/18 through Thursday 2/25. All students in grades 9 -12 who intend to register for additional exams must register on myap.collegeboard.org (or update their account) and pay for the exam on [Total Registration](#).

This year each AP exam costs \$100 (AP Seminar is \$143). Students on free/reduced lunch qualify for financial assistance through reduced fee waivers that you may apply for during registration. There is a one time \$5 processing fee charged by Total Registration for each account. Please note a \$40 late fee has been applied to each exam for those who have registered after October 23, 2020.

In order to register, students should click on the links above (a copy of this letter will also be provided on the school website). To complete registration, students must answer all of the required questions. Registration on Total Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end. We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

Here is a brief summary of what you need to know:

- Thurs, Feb 18 at 8:00 AM - Registration Begins
- Mon, March 1 at 11:59 PM - Registration Ends
- Students must sign up for exams with the College Board on myap.collegeboard.org
- Students must register and pay for exams on <https://user.totalregistration.net/AP/310297>
